**Subject:** RE: Nationwide Class Action Lawsuit Targets DuPont, Chemours, 3M, and Other Makers of PFAS Chemicals

Really Super interesting. Rob Billot has been working for a while to get testing done on firefighters across the country. This appears to be along that lines as opposed to a giant penalty action. I think the suit would be designed to prevent companies from collapse since the objective is to get more research done.

**Subject:** Ok, HERE IS IT - Nationwide Class Action Lawsuit Targets DuPont, Chemours, 3M, and Other Makers of PFAS Chemicals

If he wins can any of the companies survive?
